PRESS RELEASE

HANDBAGS 4 HEROES - Veteran Love hosts an online fund raising event to assist our wounded or disabled veteran heroes.

Miami Beach, FL – May 15, 2009: Veteran Love and Appreciation Fund, Inc., a 501 (c)(3) public benefit, non-profit organization, is currently hosting an online fund raising event, HANDBAGS 4 HEROES, to raise money for our wounded or disabled veteran heroes. Go to www.veteranloveshop.com to select a new or gently used, donated handbag. All money raised in this auction style fund raiser will directly benefit the many wounded or disabled veterans needing emergency assistance.

This unique, economically-friendly fund raiser is not only a way for Veteran Love to further our mission of helping our wounded heroes, but an opportunity for you to support our troops while you receive a great gift for yourself or someone else. Please help support our wounded heroes today! If you would like to donate a new or very gently used handbag to help continue our cause, please mail or drop off your handbags to our office: 930 Washington Ave, Ste 206, Miami Beach, FL 33139. Or if you would like to make a monetary, tax deductible donation to our veterans you can do so via our web site: www.veteranlove.com or mail your check to the address above.

Veteran Love and Appreciation Fund, Inc. exists to provide direct, essential needs to our severely wounded and disabled men and women who served in Operation Iraqi Freedom and Operation Enduring Freedom. Our assistance helps to bridge the gap for these brave men and women as they transition from military service into civilian life. At this point in our history, we have helped veterans from 11 states with a majority residing in Florida. We provide our services at no cost to veterans who are in vocational, financial, and emotional limbo. Since our inception in 2003, Veteran Love and Appreciation has been able to positively impact the lives of over 500 disabled veterans and their families. We are proud to assist our veterans who served and protected our nation. To all who have served, we thank you for your service, dedication, and sacrifice!
